## Section 1 – Introduction

This directory provides a list of New Hanover Health Advantage's network providers.

We encourage you to choose one of our network providers listed in this directory to be your **Primary Care Provider (PCP)**. Generally, you must get your health care services from your PCP.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from out-of-network providers. Other providers are available in our network.

If you obtain routine care from out-of-network providers, it may cost more than if you went to an in-network provider.

If you receive care from an out-of-network provider and receive a bill from that provider, you should not pay it. Instead, please submit it to New Hanover Health Advantage so we can determine what, if any, of the fees you actually must pay.

Emergency care can always be obtained in or out of the service area from the nearest available provider.

If you have a medical emergency:

- **Get help as quickly as possible.** Call 911 for help or go to the nearest emergency room, Hospital or urgent care center. Call for an ambulance if you need it. You do not need to get approval or a referral first.
- **As soon as possible, make sure to tell New Hanover Health Advantage about your emergency.** We need to follow up on your Emergency Care. You or someone else should call to tell us about your Emergency Care, usually within 48 hours.

**HMO-POS members:** If you obtain routine care from out-of-network providers, your costs may be higher.
